As a Blue Button user, I would like the supporting disclaimer/content to include the most up-to-date information, so I can understand the data displayed in my Health Record.

**The system will display the following content when data is available in MHV:**

~~Approved Content as of December 2021:~~

~~VA Laboratory results are available thirty-six (36) hours after they have been verified. Note: COVID-19 results are available immediately after verification by VA. For some tests, results slightly outside the reference range are not unusual. In addition, not all results are clinically significant.~~

New content received from the PHR Policy Group approved on 6/7/2022

VA test results are generally available to you 36 hours after the results are finalized. COVID-19 test results are available to you immediately after the results are finalized. When you review your test results, please remember that not all test results outside the reference range are clinically significant. You may be seeing a test result before your provider. Your provider will be reviewing your test results and may contact you with additional information. If you have questions, please call or message your provider or team.

If you would like to talk to a mental health provider, please call your local facility for same day services (Same-Day Healthcare Services Search - VA Access to Care). If you are in crisis, please contact the Veterans Crisis Line for confidential intervention and support 24 hours a day, seven days a week, 365 days a year at 1-800-273-8255 988 and Press 1, chat online at VeteransCrisisLine.net/Chat, or send a message to 838255.

Phone number change on 10/6/22. See email from Carnetta in attachments below.

Current content for reference:

VA Laboratory results are available thirty-six (36) hours after they have been verified. Note: COVID-19 results are available immediately after receipt by VA. For some tests, results slightly outside the reference range are not unusual. In addition, not all results are clinically significant. If you have any questions about your information please visit the FAQs or contact your VA health care team.

VA  
Medicati  
on  
History

As a Blue Button user, I would like the supporting disclaimer/content to include the most up-to-date information, so I can understand the data displayed in my Health Record.

The system will display the following content when data is available in MHV:

This content needs no changes as it was updated earlier this year by the Pharmacy team when non-va meds became available in MHV.

~~Approved Content as of December 2021:~~

~~Remember to update your VA health care team on any medication concerns or changes. Also, check information in your VA Allergies and your Self-Reported Allergies. This may let you know if you had a reaction to a medication you received.~~

~~Please note that My HealtheVet does NOT show:~~

- ~~1. Medications, prescriptions and/or supplements your VA health care team entered into the non-VA medications list in your VA Medical Record~~
- ~~2. Medications that are/were administered in a clinic or emergency department (such as clinic medications).~~

~~Glossary of VA Pharmacy Terms:-~~

~~Active-A prescription that can be filled at the local VA pharmacy. If this prescription is refillable, you may request a refill of this VA prescription. Active: On Hold-An active prescription that will not be filled until pharmacy resolves the issue. Contact your VA pharmacy when you need more of this VA prescription. Active: Parked-A VA Prescription that is on file at VA Pharmacy and available for you to submit a fill request. This prescription may or may not have been previously filled. This prescription has been ordered by your VA provider but will not be sent to you until you request that it is filled. You may request this medication using My HealtheVet, Rx Refill mobile app, VA phone service or mail in refills. Active: Refill in Process-A refill request is being processed by the VA pharmacy. When a prescription is in the Refill in Process status, the Fill Date will show when the prescription will be ready for delivery via mail by a VA Mail Order Pharmacy. This term may be shown as a VA Prescription status of "Active: Susp" on other VA medication lists. Active: Submitted-The refill request has been received by My HealtheVet but has not been processed by the VA Pharmacy yet~~

Current content for reference:

Remember to share all information about your medications or updates with your VA health care team.  
Also, check information in your VA Allergies and your Self-Reported Allergies. This may let you know if you had a reaction to a medication you received.

Please note that My HealtheVet does **NOT** show medications that are/were administered in a clinic or emergency department (such as clinic medications).

If you cannot view prescription(s) that should be displayed, contact your local VA Pharmacy for information. The phone number for the VA Pharmacy can be found on the prescription label.

Glossary of MHV Pharmacy Terms: Active: Refill in Process-A refill request is being processed by the VA pharmacy. When a prescription is in the Refill in Process status, the Fill Date will show when the prescription will be ready for delivery via mail by a VA Mail Order Pharmacy. This term may be shown as a VA Prescription status of "Active: Susp" on other VA medication lists. Active: Submitted-The refill request has been received by My HealtheVet but has not been processed by the VA Pharmacy yet.

Unknown-The status cannot be determined. Contact your VA care team when you need more of this VA prescription. A prescription stopped by a VA provider. It is no longer available to be filled. Transferred-A prescription moved to VA's new electronic health record. This prescription may also be described as "Discontinued" on medication lists from your healthcare team. Take your medications as prescribed by your healthcare team.

Glossary of VA Pharmacy Terms: Active-A prescription that can be filled at the local VA pharmacy. If this prescription is refillable, you may request a refill of this VA prescription. Active: On Hold-An active prescription that will not be filled until pharmacy resolves the issue. Contact your VA pharmacy when you need more of this VA prescription. If you proceed with your download while updates are in progress, you may not get the most current information. **Updates are done once a day.**

The system will display the following content when data is available in MHV:

Approved Content as of August 2022:

NOTES:

- 1) This report may not show your complete DoD Military Service Information. Data prior to establishment of DEERS and full service reporting (c. 1980) may not appear.
- 2) It is normal for the begin/end dates in DoD records, adjusted by the Personnel Center after separation, to vary slightly from the DD-214.
- 3) No peacetime deployments will be displayed. For Gulf War I, only one period will be displayed even if you deployed more than once. No conflict prior to Gulf War I will be displayed. Kosovo, Bosnia, and Southern Watch data is incomplete and may not display.
- 4) For Guard/Reserve, periods of active duty may not display. No periods of Active duty service less than 30 days will display.

Current content for reference:
